WHAT DO PARENTS SEE IN THE PORTAL?

1. **Student Names:** At the top, parents see all students they have portal access to listed. If the list of students is incorrect, the school will have to investigate.
2. **In-Progress Achievement:** Current assessments are updated here for Junior High and High School only. Current attendance totals, courses and course outcomes can be found here as well.
3. **Academic Achievement:** Achievement levels and comments from past report cards can be accessed.
4. **Provincial Assessments:** Results from past provincial assessments.
5. **Attendance History:** Historical record of all attendance.
6. **My Schedule:** Schedule of courses taken (In most Elementary schools, the schedule does not accurately reflect the times that the courses are taken).
7. **E-mail Teachers:** Teacher email addresses can be accessed here.
8. **Account Preferences:** Parents can manage their password here.
9. **SchoolMessenger:** Past and current messages from the school and region can be accessed here.
