School Newsletter
March, 2023**

Principal: Vince MacNeil

Vice-Principal: Courtney Smith

Follow us on Twitter: @RockyElementary or on our website: <https://rle.hrce.ca>

Thank you for a wonderful month! We continue to work hard here at Rocky Lake Elementary to create and maintain a positive school climate. We appreciate all of the support you provide from home as well!

RLE Parent Teacher Organization

The RLE Bingo Night was a HUGE success. Many thanks go out to our PTO committee who worked incredibly hard to make this happen!!!

Student Concerns?

Teachers have class meetings regularly to help their students develop problem solving skills. We encourage all students to solve conflicts peacefully or to find a staff member to help mediate if needed. Staff members wear bright orange vests while outside on duty, so they are easy to find. If your student has a concern or issue we encourage them to find an adult to get support. We are here to help!

Transportation

We have been working with HRCE Transportation to address issues on our busses. We have been granted an additional bus, taking down numbers of students on three buses. We thank you for your patience. Please talk to your students about expectations while riding the bus. All students are expected to remain seated and keep voices at a safe level. The driver needs to focus on the road, so distractions should be limited.

Lunch monitors

If you are available to work from 11:35 - 1:05 daily, or even a day or two a week, please apply to be a lunch monitor! This pays \$15 an hour for your time. Contact us at rle@hrce.ca for the application package.

Important Dates

March Break – March 13th to March 17th

March 20th – Assessment and Evaluation Day / No classes for students.

March 30th – PD / Parent Teacher Interviews (more information to follow).
