

Rocky Lake Elementary Student Supply List for both Grades 5 & 6 2022-23

Dear Families,

You will find below a supply list for your child for September 2022. We ask that in September, your child come only with the basic supplies to start. Please send in all supplies labeled with your child's name. Individual classroom teachers will contact families during the first week of school to confirm any extra items they would like students to have. We encourage families to use any supplies leftover from the 2021-2022 school year. RLE is a technology school and students will be issued a personal Chromebook for the school year. We thank you for your continued support and we look forward to welcoming students on September 7, 2022.
